NONCOMPLIANCE SUMMARY

I allege Chase Colasurdo has violated conditions of supervision by:

Violation Number	Nature of Noncompliance
1.	Consuming alcohol on or about March 29, 2023, in violation of his special condition.

United States Probation Officer Action:

On the date listed above, Mr. Colasurdo submitted to a urinalysis, and it was presumptively positive for alcohol. As a result, I confronted to Mr. Colasurdo about his urinalysis, and he admitted to consuming alcohol on or about the date listed above. Mr. Colasurdo was remorseful and stated that he had no idea he was not allowed to consume alcohol. As a result, I went over his judgment, specifically his modified conditions. Mr. Colasurdo acknowledged and apologized his oversight. I told him that should he test positive for alcohol again, he will be directed to obtain a substance use disorder assessment. On a positive note, his subsequent urinalysis collected on April 10, 2023, was returned negative.

Mr. Colasurdo currently resides with his mother in Bellevue, Washington. He is working full-time as an apprentice flagger, and he enjoys his job.

I consulted with Assistant United States Attorney Todd Greenberg, and he concurs with my recommendation.

I respectfully recommend the Court endorse my actions.
